FERRYHILL SCHOOL NEWSLETTER

INTEGRITY | CREATIVITY | EXCELLENCE

YEAR 9 EXCELLENCE

While the portacabins are warm and pleasant, it's been really difficult trying to use a range of different teaching methods in there, because of their shape and situation. This week Year 9

History students have undertaken a 'walkabout' style lesson, where they move around the room finding out information to solve a key question. They were trying to solve the mystery of the Mississippi Murders 1964, an important moment in Civil Rights History. 9A1 in particular enjoyed this and worked well together.

ROAD CLOSURE

IN CHILTON

**Road closure in Chilton – new bus stops introduced for 3302A & 3302B
15/01/24 – 19/01/24**

**Due to the below road being closed next week DCC have advised:
Instead of running up/down Eden Terrace/Durham Road they divert via
Coronation / New South View instead (temp stop will be put out at New
South View) so:**

**3302A - becomes Rushyford, Chilton New South View, via Coronation,
Chilton Dene Bridge Row / West Chilton Terrace**

**3302B - already runs via Coronation; but suggest reverse direction of
operation – becomes Chilton New South View, Chilton bottom of Arthur
Street, Chilton Coronation Road**

**Appartus repair Road closure / Diversion route 15 January 2024 19 January
2024 Northumbrian Water**

Durham Road, Chilton, Durham 	Appartus repair	Road closure / Diversion route	15 January 2024	19 January 2024	Northumbrian Water
--	--------------------	-----------------------------------	--------------------	--------------------	-----------------------

BUS PASSES

All students allocated to buses should all have a Durham County Council (DCC) issued bus pass except those Y10/11 students who are currently transported to and from the Gateway site. Students need to show their bus pass when boarding the bus on a morning and when boarding the bus for the journey home from school every day. If a student loses their pass, they need to apply for a new one at a cost of £5, which DCC charge, by contacting them on 03000264444 option 4. Once the pass has been ordered a temporary pass can be obtained from the school which can be used until the new pass arrives.

Please be aware that students may be refused travel if they fail to show their pass.

NOTICE TO PARENTS/CARERS

LUNCH ACCOUNTS

Can parents/carers who pay for school meals please ensure that student meal accounts stay in credit in order that food can be paid for as and when it is ordered and consumed. Where students don't have enough money on their accounts to pay for lunch, students will be allowed to get their lunch on that day and we will attempt to ring parents/carers to inform them that the account needs topping up.

Students will need to inform parents/carers of the situation when they get home that day. If we are unable to contact parents/carers to speak to and the same thing happens the next day we will send a SchoolComms message out advising of the money owed and that the student should bring a packed lunch into school for the next day if the account can't be topped up in the short term. It is parents/carers responsibility to ensure that there is enough money on their child's account to pay for food. However, if there are any problems with topping up please contact the school office for your child's year group as soon as possible, so we can discuss resolving the situation with you.

YEAR 8 PARENTS EVENING

FEBRUARY 13TH

The Year 8 Parents Evening is on 13th February 3pm – 6pm. Not only is this an opportunity to speak to your class teacher about your progress within the subject, it is also an opportunity to speak to staff about option choices in preparation for Year 9. Staff from a range of option subjects will be available to talk to students about the courses and how they are assessed and answer any questions you may have. Miss Gibson will also be delivering an Option talk for parents who would like to find out more about the options process. More details to follow in the next few weeks.

GCSE ENGLISH LITERATURE STUDY GUIDES (FOR YEARS 10 AND 11)

CGP study guides for the GCSE Literature texts that students study for their exams are available to purchase through Parent Pay. An English Language guide is also available. Each guide is priced at £3.20 (rather than the £6.50 if your order directly from the publisher!). There is a separate Parent Pay account for each guide. Please pay into the account which links to the guide you require. The order that the Literature texts are studied in is shown below; Language is taught throughout. Further opportunities to buy the guides will, of course, be offered later.

Please note: these are the same guides that have been offered previously so if you have already bought them, please don't buy them again! We are unable to refund money if multiple guides are bought in error.

The deadline for this round of orders is: Thursday, 15th February at 3pm

The accounts are named as follows:

English: Poetry Study Guide (studied in both Year 9 and 10)

English: A Christmas Carol Study Guide (studied in Year 10)

English: An Inspector Calls Study Guide (studied in Year 10)

English: Macbeth Study Guide (studied in Year 11)

English: Language (skills developed throughout but specific exam teaching is predominantly in Year 11)

Please don't hesitate to email me if you have any questions: kca@ferryhill.school

Thank you.

Mrs Carter

Director of Learning for English

ATTENDANCE

As we start a new term, please could we remind you about the importance of school attendance. All students should aim for 100% attendance this term, and we have a variety of rewards for students whose attendance is excellent. Did you know that there are 175 days a year, including holidays and weekends, where your child is not supposed to be in school? This should provide plenty of time to spend with family and friends, to have a holiday, or to make routine medical or dental appointments.

'JOB OF THE WEEK'

As part of the Year 9 tutor programme and to help expand student knowledge and understanding of some of the many different job roles available to them after school, students have been looking at different job roles.

This week's 'Job of the Week' is a Paramedic

Further information about this job role can be found by following this link

<https://www.youtube.com/watch?v=oZt8-otJMHA>

Why not also check out a range of Careers Packages for secondary schools

Wednesday - English Club 3:00-3:30pm

Wednesday - Film Club 3pm-4pm Room 6

Thursday - Netball

Students are invited to Ferryhill Indoor Bowls

Friday evening 5pm till 6pm - Cost £1

WHY BOWLS?

SCHOOL
GAMES

What are the benefits of playing my sport?

Bowls is a sport open to all, requiring players to get one or more of their bowls closest to the target ball. Whilst not physically demanding, it requires accurate rolling, tactical awareness and good teamwork.

TOP Tips!

One of the biggest selling points for the sport of bowls is the diversity of participants. It can be tailored to meet the requirements of all, regardless of age/ gender/disability/ethnicity. It is a game that all youngsters can engage in and enjoy.

"Target-based" activities offer a more appealing initial introduction to the sport to young players than its traditional formats.

Ferryhill Indoor Bowls Club

PARENT NOTICES

PARKING AT FERRYHILL

Parents are not to park in the school car park or enter the site on foot to collect their child unless they have been provided with a permit from School. Due to ongoing works around the area, we have a designated exit to ensure students can leave the site safely.

COLLECTION OF STUDENTS FROM FERRYHILL SITE

When collecting or dropping off a student during the school hours of 8:30am – 2:45pm, can we ask that parents/carers come to the new reception entrance based in room 10 which is signposted. The PE entrance used by students will be locked throughout the day and will not be manned by staff.

COLLECTION OF STUDENTS FROM UPPER SCHOOL SITE

For parents picking up their child from the Upper School site, please do not park directly outside of the building as the school buses need space to park. By parking there it prevents students being able to board the buses safely. Please park on the opposite side to the Upper School building. Thank you for your support with this matter.

LATE BUSES

Please note late buses will not run for afterschool clubs. Your child will be expected to make their own way home.

LOLLIPOPS

Lollipops are not allowed in school, they are a potential choking hazard.

BEHAVIOUR ON SCHOOL BUSES

Please ensure students are aware that their behaviour while waiting for and while travelling on the school bus is subject to the schools consequence system.

RECORDING ABSENCES/ATTENDANCE

All student absences must be reported to school by 8:30am each day. This can be done by contacting (01740) 651554. Please then select **option 1** to be directed to Student Support. If there is no one available to take your call, please leave a message on the answer machine provided. Alternatively, you can email any attendance related queries to attendance@ferryhill.school.

PE KIT REMINDER

Can we please remind parents that students must have their PE kits in school on their PE day. Please remind your child to check their timetable daily.

AEROSOLS

Aerosols are NOT allowed in school in any form ie deodorant, hairspray, dry shampoo etc. If your child is found with this in their possession, the item will be confiscated and will have to be collected by parents.

Family Hubs provide support to families from pregnancy to the age of 19, or 25 if your child has special educational needs and/or disability (SEND).

Our Start for Life offer covers everything you need during pregnancy, right up until your child turns two. This includes support and groups to help you:

- During pregnancy and after your baby is born (antenatal and postnatal)
- With feeding your baby – from support with breastfeeding, to weaning and eating healthily as a family
- Understand your child's wants and needs and how to support their development
- Get your child ready to start school or nursery

We don't stop at the age of two, we offer support as your child grows, through puberty and into adulthood. This includes information, online programmes and groups to help with:

- Understanding your child/teenager's behaviour
- Your child's wellbeing, both for you and your child
- Supporting your child with additional needs
- Your relationship and your family relationship
- Your child's health

We can also provide advice and support around:

- Domestic abuse
- Debt and access to financial support
- Housing
- Stopping smoking
- Help with childcare costs
- Emotional wellbeing
- Healthy eating
- Drug and alcohol support
- Employment and training
